

**Recap: December 6, 2018 Meeting
Charlotte Green Team Meeting
Charlotte, NC**

With the holidays fast approaching, everyone was in the mood for a reception-style gathering in December, rather than a sit-down meeting with a formal presentation. So, the Charlotte Convention Center and CRVA hosted everyone to the December meeting with this in mind. With a cup of “Holiday Cheer” in-hand, everyone socialized and got caught up on individual green/sustainable initiatives others had initiated. Suppliers were invited to bring literature on their products and services to put on tables and several did.

Steve Bagwell, COO of CRVA welcomed everyone as chair of the Green Team. There was a drawing for several door prizes, and a good, relaxing evening was enjoyed by everyone. Steve said we will be setting a date for the first quarter meeting in 2019 which is tentatively planned for the Spectrum Center. So, keep an eye out for the announcement of the time and date.

He also requested that everyone think about ideas for expanding and growing the Green Team, and topics to present and places to visit for educational purposes. Remember, the purpose of the Charlotte Green Team is to advocate to entities in the Charlotte region to adopt green/sustainable initiatives and to then share them with other folks in and through the Green Team. If you have any thoughts or ideas on programs, topics or how to grow the Green Team, please send them to Steve at steve.bagwell@charlotteconventionctr.com or to the Green Team at chagreenteam@aol.com.

May everyone have a happy and safe holiday season and remember....recycle and *keep it green!*

The Charlotte Green Team is co-sponsored by the Charlotte Regional Visitors Authority (CRVA) and the Charlotte Area Hotel Association (CAHA)
