

**Recap: March 30, 2016
Charlotte Green Team Meeting
DoubleTree Gateway
Charlotte, NC**

“Teaching Green/Sustainability in School These Days.”

Also, the Charlotte Green Team, co-sponsored by CAHA and CRVA continues to meet on a regular basis to discuss green/sustainability in the hospitality industry. Our March meeting was a stellar one. The subject was “Teaching Green/Sustainability in School These Days.” When most of us were coming along this wasn’t even a topic of idle discussion. Today you can get college degrees in related fields, plus it’s being taught inside other courses and degrees at every level.

That’s what we wanted to learn more about: what is being taught these days, because soon these students will be graduating and coming to work for us and if we know more about what they’ve learned about green/sustainability, the better we can utilize them in our businesses. What about this list of speakers on the subject at the last meeting:

- Daniel Fogel, Wake Forest University
- Yesim Sireli, UNC Charlotte
- Sunil Atreya, Johnson & Wales
- Kelly Patkus, Johnson & Wales
- Rose Mary Seymour, CPCC
- James Bowen, CPCC

Want to get involved in this group and learn more? Meetings are free and open to anybody in the hospitality industry. Our last meeting had people from hotels, restaurants, the City, meeting planners. Just send us your name and email address to www.charlottehotels@aol.com and we’ll put you on the distribution list.

The Charlotte Green Team is co-sponsored by the Charlotte Regional Visitors Authority (CRVA) and the Charlotte Area Hotel Association (CAHA)
