HOW TO RIDE:

Download the Lyft app and set up an account to use your Lyft Pass.

To enter a code in your app, open the menu and tap 'Rewards.'

Your Lyft Pass has specific requirements – such as certain ride types and destinations. You can view the details of your pass by opening the menu and tapping 'Payments.'

Lyft Passes automatically apply to qualifying personal rides. When you're requesting a ride, you can select your personal profile by tapping your payment method above the 'Select Lyft' button.
