

YOUR WELCOME GIFT FROM CHARLOTTE

Once you step off the plane from American Airlines' BDA to CLT flight, the Queen City is ready to welcome you with open arms. After you pick up your bags, look for the Visitor Info Center in the center of baggage claim at Charlotte Douglas International Airport. There, you'll receive a **free Charlotte Baggu bag** for all of the souvenirs you'll rack up along with a Charlotte City Guide to help you plan where to eat and explore while you're here. Our friendly Visitor Info Center is also on hand to help make recommendations and answer questions. They look forward to extending a warm welcome after your flight.
